

Better Together: Sync Your Finances, Access Life!

Access all your accounts in one place with My Money.

You're busy. So does it really make sense to go to one site to check your car loan, another to pay your mortgage and yet another to see your checking account? No.

And My Money from GRANCO has done something about it!

You can now access all your accounts in one spot with My Money. By doing so, you'll get a better idea of what is happening across your entire financial life in real time without having to jump back and forth from one account window to another.

What's more, once you sync all your information, our powerful My Money system will be able to provide you with powerful information – and you don't have to lift a finger!

See your monthly cash flow. Check on savings goals. Analyze your spending patterns. Set spending targets. You can do it all across all your accounts.

We've made it easy to get a clear view of your entire financial picture in one spot.

Aggregate your checking, savings, loans, 401ks, IRAs, etc., in one place and take control of your financial destiny! Our My Money has the power to help you get it done!

How to Add an Account & Get Control:

The real power of My Money is in its ability to help you gain control of your finances by monitoring all your accounts in one place.

Step 1: On your Dashboard, click "Add" under navigation above your current accounts.

Step 2: Select your account from the available institutions OR use the search feature to find your account.

Step 3: Complete the required account information, and select "Connect."

That's it! It's that simple. But while you're there, why not add a few more?
