At our Annual Meeting in April one of our members suggested GRANCO have a contest for members who deposit a certain amount to their savings account each month here at GRANCO. Our board discussed the recommendation and has decided instead of having a contest for savings accounts we will have one for loans. The decision was made that any member who got a new loan or new cash advance of \$1000.00 or more would be entered in a drawing for a \$25.00 GRANCO gift card. This drawing will take place the 1<sup>st</sup> week of each month beginning in July for the month of June. Good luck to you all!

For those members that have been asking and wondering if the new Moses Lake branch was just a dream, the Ground Breaking Ceremony took place on June 24<sup>th</sup>. Construction is estimated to take five to six months. We are hoping to be open in this new location on 5<sup>th</sup> and Chestnut, for the holidays. There will be two drive-up lanes along with a shared branching ATM and our friendly excited staff. A grand opening celebration with prizes and specials will be scheduled early in 2016. We look forward to providing the same friendly personal service we provide in Ephrata to our current and new SEG group members and families who live in the Moses Lake area. Be sure to stop by and check it out as the building is in progress.

GRANCO is offering retirement planning services and all it entails as a new service through Mike Nelson. Mike came to us highly recommended and has spent several days in the lobby of our office discussing what he has to offer to our interested members. I learned some interesting things from him regarding long term care insurance and Medicare that will surprise you all. His web site will be linked to ours soon for now it is [retirementplanningwa.com](http://retirementplanningwa.com), his e-mail is [mikenretplanning@gmail.com](mailto:mikenretplanning@gmail.com), his cell number is 253-219-0013, and office number is 253-252-2715. Don't be surprised if his wife Ondrea answers at the office because Mike is often on the move meeting with people in the field. Please call him or her with any questions you have regarding the many services they offer.

We hope you are all staying cool and safe with the much too early hot spell and resulting fire danger. Have a wonderful summer!
